

## Install a Custom Style in Zotero

(a one-time task in four steps, with pictures)

1. In Zotero, click Edit > Preferences on a PC (shown) or Zotero > Preferences on a Mac.

2. Choose the Cite tab and click the "Get additional styles" link.

3. Filter the styles to find those that match what you are looking for.

Style Search

Annotated

Loading...

2 styles Found:

- American Psychological Association 7th edition (annotated bibliography)
- Chicago Manual of Style 17th edition (note, annotated bibliography)

4. Click the desired style.
